Recovery Community

Building a new family while teaching, guiding, mentoring and helping one another.

Through a structure of:

Accountability

Promotion of well-being

Church Community

Weekly bible study

Continued education

Support Group Meetings

Community Service

Good Neighbor Policy

Employment

Jobs

Lighthouse has worked to build a network of available employment for each of the persons in LHB programming. Through our referral system and screening we give each participant the opportunity to earn their own money, gain a positive work history, and potentially work into their own business.

We seek to build ACTIVE business owners, volunteers, community members growing in relationship with Christ.
